

PARISH COUNCIL STATEMENT

COVID – 19 NOVEMBER 2020

With the recent new restrictions and possible changes in people's circumstances, the Parish Council would like to outline the position for all residents.

- 1) The Council have pledged an initial £500 from its reserves to address any immediate financial help residents in the Parish may need. To access this help please contact the Clerk to the PC - Guy Harvey. His contact details are below.
Should any contacts wish to remain anonymous, this will be respected at all times.
- 2) We would like to ask ALL residents to look out for their nearest neighbours and friends. Should any help be required either financially or otherwise please do not hesitate to contact Guy. Food and heating could be a priority, but there may well be other requirements as well, as we recognise everyone's circumstances can be individual to them.

If in any doubt please contact us.

From our feedback over the last few months, we would like to thank everyone in the village for their vigilance and support to others.
